

Shoe Drive Fundraiser

funds2orgs™

KICK OFF

Time to have fun collecting shoes!

- 
- Collect gently worn, used and new shoes and sneakers.
 - The more shoes and sneakers collected the greater the money we will make for our activities.
 - We will also help people in poverty around the world create their own small businesses.
- 

How Can I Help?

- Go into the closets, storage, garages, and around the house looking for shoes and sneakers that can be given away.
- Make sure you've got permission to give away the shoes.
- Place them in a bag, but don't forget to keep the pairs together by tying the laces or rubber banding them together.

Get Started Collecting!

- When you collect 25 pairs of shoes, you've filled one bag!
- Collect as many bags as possible!
- Ask your family, friends, grandparents, neighbors, clubs, and groups to give you shoes and sneakers for your fundraiser!
